Si chiama "Milano 2020, strategia di adattamento" il piano lanciato dal Comune di Milano, aperto al contributo dei cittadini, per gestire la ripartenza. Il documento è stato presentato nel corso di una conferenza stampa in streaming. Il piano punta in generale su una riorganizzazione dei tempi e degli spazi della città: dalla ridefinizione dell'uso delle strade e degli spazi pubblici all'aumento degli spostamenti con la bicicletta e a piedi, alla

riscoperta della dimensione di quartiere, per vivere la città in modo diverso, senza pericolo di
